Thank you again, every time I walk into the living room I take a deep breath as I look at the beautiful painting hanging on the wall. I want you to know how much it means to me.. Priceless!!

Take care Tracy, xoxo

Hi Tracy,

I can't thank you enough you did an absolutely amazing job on the painting! For the first time in my life I was at a loss for words, you captured my spirit and joy in that picture so beautifully.

I'm sure Jason told you a little about me but that picture was taken about a year after I was adopted by my mother Barbara, I was sitting at our neighbor's house eating my ice cream pop a typical summer day. That was one of my Moms favorite pictures of me. Sadly I lost my Mom and best friend back in January. Looking at the painting that hangs in the living room brings tears to my eyes. It reminds me of a time when I was my happiest care free and living life as a very happy little girl.

Thank you so much it's so beautiful

Best, Lizzy

*It went great. Lizzy loved the portrait and has not stopped talking about how thoughtful a gift it was.

You are an absolute doll. Your beautiful portrait just arrived three minutes ago. It looks just like us. Besides being a sweet, thoughtful and wonderful little girl, you are extremely talented. I am very touched by you, your thoughtfulness and your friendship. You are a gem. I can't wait for Leslie to see your wonderful work of art when she comes in August. It will forever hold a place of honor in my home and in my heart. I have the perfect wall for it.

Thank you, honey.

Much love, Vicki F.

As I was praying just now, God put you in my heart and on my mind.

You have blessed me with your loving friendship and especially through your gift of painting. I'm sorry Mom didn't give you what you needed and really, deserved. In my eye, you're an artistic rock star and I love what you create. Your colors render life to your subjects and your strokes reflect your love and passion for your craft. You're so gifted, Trace. God wanted me to ask you to believe this about yourself. You are His special artistic creation. He is so very proud of you. Donna R.

When Matt saw the pic of my parents he said" I love that picture". It was so nice to hear, so genuine, since he hadn't known about it or seem any of the previews, being at school. Here's where it is for now, above Grandpa's chair. Thanks so much!!!!!!!!!!!!!!!!!!!! Annie

made a little alcove for it and the photo of Gale with two paintings that hung at the entrance to the exhibition - the photographer, Garth Francis, gave it to me and of course I am delighted to have the two pieces together. Many thanks again for making it possible.
